

Now in the forest there is a tree
the **best** tree you have ever seen
and the tree is in the woods
...and the green grass grows all around and around
...and the green grass grows all around.

Now on that tree there is a branch
the **best** branch you have ever seen.
and the branch is on the tree
and the tree is in the woods
...and the green grass grows all around and around
and the green grass grows all around.

Now on that branch there is a twig
the **best** twig you have ever seen
and the twig is on the branch
and the branch is on the tree
and the tree is in the woods
...and the green grass grows all around and around
and the green grass grows all around.

Now on that branch there is a twig... ...etc.

Now on that twig there is a nest... ...etc.

Now in that nest there is an egg... ...etc.

Now in that egg there is a yolk... ...etc.

Now in that yolk there is a birdetc.

Now on that bird there is a feather... ...etc.

Now on that feather there is a fleaetc.
